

# Maattabel voor T3 Vleermuiskast, bouw methode "molenwieken" met losse latten in de kamers.

Eerste kamer (tussen laag 1 en 2) = 15mm  
 Tweede kamer (tussen laag 2 en 3) = 20mm  
 Derde kamer (tussen laag 3 en 4) = 25mm

## Plank dikte in mm

|                       |  |           |           |           |           |           |           |           |           |           |           |           |
